At the heart of the Absolute Collection lies the philosophy of "one-design, eight-size." The collection features sizes ranging from 60x60cm to 120x180cm, giving you the flexibility to craft synchronized spaces that reflect your unique vision.

Balance. The project

The Balance palette draws inspiration from the Absolute of natural landscapes, blending earthy warmth with refined neutrals. Rich tones like Marsala Red, Nude, and Ochre meet the depth of Chester Green and Steel Blue, softened by calming shades of Ivory, Light Grey, Nude, and Azure.

More than just color, Balance is a visual and sensory experience—an elegant composition designed in line with contemporary furniture and interior trends. Every shade has been carefully curated to create spaces that feel timeless, harmonious, and effortlessly sophisticated.
